

SUNDAY SINGLES FINAL PAYOUT

Let me congratulate your Sunday Singles Champion, Regan Wozniak. What an incredible year. Thank you for making the fifth year of Sunday Singles a great success. We made some new friends, and I hope everyone had a good time. The Awards will be presented on Sunday August 30th at about 10:15AM at Kingpins. Should be down in the Tap House. You do not need to be present, if you are on the list just reach out to me and we can figure out a way to get your winnings.

We had good attendance this season although it was down from last year. We are paying out 12 positions and 18 honor score positions for a total of \$1280. I enjoyed it. I hope you did too. With this interest level, I can foresee doing this again next year. It is not my league; it is the league of all who participate. I hope to only make it better with your feedback.

I would like to get your feedback on the league. What could I have done better? What should be changed. What would you like to see in the future? I will send out an email later this year to ask a few questions and get your honest feedback.

Our Final Winners at Blind Doubles (money will be available on the 30th)

1st – LaMar Wallace and Casey Ipock - 1320 (\$15)

2nd – James Dean and Justin Wenzinger – 1318 (\$5)
