## League Notes

# Sunday Singles

Week two went well. It was a little more difficult without the Microphone, but I appreciate everyone doing what they could while I yelled. We had a few new people join us. That tends to happen in the first few weeks. Currently all bowlers have averages and handicaps. Most of you will see your handicap has adjusted after your 6 games. Maybe a big shock or surprise for some of you. The house unofficially opens at 9:45 to get us in and allow me to get set up. Then check-in will begin about 10AM. We will try to start practicing at about 10:20 but it will depend on how we are doing with registration each day. Hopefully everyone has an idea about the side pot games and the cost. Correct change is appreciated.

We should always be on lanes 1-12 for the rest of the season. I always prefer to have people bowling against an opponent. It is not as much fun to bowl unopposed. Remember if you draw lanes 9-12 there is a chance you may be moved before practice starts. Remember we will be here on May 25, but then we are off the week of June 1st. That is the Rose Bowl Classic. A tournament where I am the director. The stress, trust me, I am worried about this one. There will be some open lanes on Sunday June 1<sup>st</sup> if you want to come in and practice. You can also stop in and watch the Scratch Master portion of the tournament on Sunday morning.

It is still very early on in the league but there are a few stepping up to the top. Now with averages changing, will that impact their bowling? I try to get this recap sheet together each week. I will also post this on [7tensplitbowling.org](http://7tensplitbowling.org). I do hope I will be less stressed after the Rose Bowl.

I hope to see you all back next week. Feel free to shoot me an email and let me know your thoughts on the league. Did you enjoy it? What can I do to make it better?

Thank you

Michael Bartholomew
