League Notes

Week 1 of 13

Sunday Singles

5/17/2026

Welcome to Sunday Singles. It was a great start. I have heard the house unofficially opens at 9:45 to get us in and allow me to get set up. Then check-in will begin about 10AM. We will try to start practicing at about 10:20 but it will depend on how we are doing with registration each day. Please only select the "CHOOSE" button one time. Once a lane is selected it is removed from the choices. Hopefully everyone has an idea about the side pot games and the cost. Correct change is appreciated.

It was great to see so many new faces. I know this is a unique league set up. I hope you all enjoyed yourself. You can see we have a wide variety of skill levels. Main thing is to have a good time. I tried to get around to everyone, but if I missed you, I apologize. Week one is always a little crazy. We had a very good turnout.

We should always be on lanes 1-10 for the rest of the season. There is one week we will be in the Tap House. This will be a little longer week depending on participation. Less lanes, more people on each pair. Remember if you draw lanes 9-10 there is a chance you may be moved before practice starts.

Congratulations to John Hiromura. John came out on fire for the summer. He shot 247,267,194 for his first ever 700 series with a 709. Amazing start to the season. That 871-handicap series is going to be tough to beat. If anyone has a special moment like this, please let me know so I can make sure everyone can celebrate with you.

I apologize everything was not on the lanes at the start. Week one is always tough. I am pulled in so many directions with EOY for leagues and the Rose Bowl Classic tournament coming up. Please forgive me. I also messed up on some handicaps. I corrected them and you may see some of your wins and losses changed due to the correction. I try to get this recap sheet together each week. I will also post this on 7tensplitbowling.org. There are still a few people without averages or handicaps so not all stats are completely accurate.

I hope to see you all back next week. Feel free to shoot me an email and let me know your thoughts on the league. Did you enjoy it? What can I do to make it better?

Thank you

Michael Bartholomew
