League Notes

We are down to our final 2 weeks. Next week will just be standard bowling. Then we take a break on August 9th. We come back on the 16th for Finals. At that time some of the top place bowlers will be assigned lanes so they are rolling off against each other. If there is a tie for a position, it is decided by total pins. There are a lot of bowlers within striking distance of first place. You must have 7 weeks bowled to qualify for any awards. Remember the house unofficially opens at 9:45 to get us in and allow me to get set up. Then check-in will begin about 10AM. We will try to start practicing at about 10:20 but it will depend on how we are doing with registration each day.

For those of you interested in bowling on Sunday in the Fall, PCBL starts in early September. I am always looking forward to building more teams. I will do all I can to try to get you on a team. I will try to get more information out around the 2nd of August.

Chuck Buckner was struggling in game one so he came up and bought Strike tickets hoping it would get him a strike. He threw 3 in a row and then in game 2 started with 2 more. Unfortunately, when it was Strike Shot time, he rolled a good ball but only a 9 count. So, we have a carry over. Bring those tickets next week. Mark Perry shot a great 259 keeping that high average. Dwayne Carter scored a fantastic 169, not giving poor Adam a chance. Great shooting bowlers.

Don't forget we added the card game to the mix. It is \$1 per game. Kind of self service. You come up and give me your money and then put paid next to your name on the list. 1 card per spare, 2 cards for a strike. 1 sympathy card for 3 opens in a row. If you bowl less than 100 you get 5 cards. You can hold up to 10 cards at a time. At the end make your best hand and write it next to your name. If you do not have a hand that can beat the one already left turned face up. Put your cards in the discard and scratch your name off for that game. Game 1 went to Chuck Billedeaux and his 4-A's. Game 2 went to Casey Ipock with his 5-7's. Paul Swearingen took game 3. Drawing his 4th Ace on the final shot.

I hope to see you all back next week. Feel free to shoot me an email and let me know your thoughts on the league. Did you enjoy it? What can I do to make it better?

Thank you
