League Notes

Congratulations to our League Champion – Regan Wozniak.

Thank you all for attending this season. I know it is an early morning on Sunday, but it gives you the rest of the day to relax or gets the household chores done before work on Monday Morning. I hope you had a good time and a chance to meet some new bowlers. I know it makes me happy each week when I see so many people show up to participate in this league I created. We made it through the season. We will have our Awards on August 30th at 10AM in the Tap House. There is a tournament that is going on that day, but we should be fine in the tap house. It will only take about 15 minutes. You do not need to be present. If you make any money I will find you if you are not there. You must have at least 21 games completed to be awarded any prizes.

For those of you that expressed interest in PCBL; please make a note that the initial league meeting is on August 30th at 3PM in the Chalet. This is just outside the Taphouse at Kingpins in Portland.

Don't forget we added the card game to the mix. It is \$1 per game. Kind of self service. You come up and give me your money and then put paid next to your name on the list. 1 card per spare, 2 cards for a strike. 1 sympathy card for 3 opens in a row. If you bowl less than 100 you get 5 cards. You can hold up to 10 cards at a time. At the end make your best hand and write it next to your name. If you do not have a hand that can beat the one already left turned face up. Put your cards in the discard and scratch your name off for that game. Game 1 went to LaMar Wallace with his 4-9's. Game 2 went to LaMar Wallace and his 5-Q's. Game 3 went to Michael Bartholomew and his 5-4's.

I want to thank everyone that came out all year long. It is great meeting new people, and I hope you all had a good time. Keep your eyes open around January. I will send an email out, if I have your correct address, to gauge interest in another season. Feel free to shoot me an email and let me know your thoughts on the league. Did you enjoy it? What can I do to make it better?

Thank you

Michael Bartholomew
