## League Notes

It was great to be back on our standard lanes. I know I moved people and then had more show up. I try to make sure the house has lanes back if we are not using them. I will try to wait a little extra more time next week. We are getting close to full every week and that is great. Once again, I will ask you to bring in change for me. I try to bring some, but when I am getting all \$20s and \$50s it is tough. We added some new bowlers. It is great to see some new faces; as well as those returning faces. In fact, I have more names than fit on my initial standings sheet. I will modify that, so everyone fits. For now, I have dropped a couple of names at the bottom. Remember the house unofficially opens at 9:45 to get us in and allow me to get set up. Then check-in will begin about 10AM. We will try to start practicing at about 10:20 but it will depend on how we are doing with registration each day.

Congrats to Chris Vergnaud for covering the 4-7-10 split. It was a great shot. Mark Perry is really bowling week. He shot 685 in the Tap house and 663 this past week. Say good-bye to that handicap. Welcome back Michelle Armstrong and Rick Stone. Great seeing you back on the lanes.

Don't forget we added the card game to the mix. It is \$1 per game. Kind of self service. You come up and give me your money and then put paid next to your name on the list. 1 card per spare, 2 cards for a strike. 1 sympathy card for 3 opens in a row. If you bowl less than 100 you get 5 cards. You can hold up to 10 cards at a time. At the end make your best hand and write it next to your name. If you do not have a hand that can beat the one already left turned face up. Put your cards in the discard and scratch your name off for that game. Game 1 went to Michael Bartholomew with 4-K's. Game 2 went to Paul Swearingen and his Full House A/10's. Game 3 went to John Hiramura and his 5-A's.

I hope to see you all back next week. Feel free to shoot me an email and let me know your thoughts on the league. Did you enjoy it? What can I do to make it better?

Thank you

Michael Bartholomew
