League Notes

Well, that was a fun week. Great to see so many returning faces and even new one's midway through the season. Congratulations to Ben Zinke and Deborah Hur on their marriage. It is so great to see. Good thing they weren't bowling each other. Although Deb might have liked that. We had a full house again. Well almost anyway, 28 bowlers. The prize fund continues to build. I am glad so many of you brought correct change in, since I forgot to bring any change. For now, I have dropped a couple of names at the bottom of the standings. If a bowler isn't coming back or hasn't been here for a while I drop them off the active list so that I can fit everyone on one page. Remember the house unofficially opens at 9:45 to get us in and allow me to get set up. Then check-in will begin about 10AM. We will try to start practicing at about 10:20 but it will depend on how we are doing with registration each day.

Congrats to Debbie Holfeld for covering the 5 -6 split. You must be very accurate to get right in between those two pins. Michael Bartholomew bowled a perfect game, 300 in game one. This is the first perfect game in this league. Welcome to Justin Keller. Great seeing you here for some practice before PCBL.

Don't forget we added the card game to the mix. It is \$1 per game. Kind of self service. You come up and give me your money and then put paid next to your name on the list. 1 card per spare, 2 cards for a strike. 1 sympathy card for 3 opens in a row. If you bowl less than 100 you get 5 cards. You can hold up to 10 cards at a time. At the end make your best hand and write it next to your name. If you do not have a hand that can beat the one already left turned face up. Put your cards in the discard and scratch your name off for that game. Game 1 went to Rick Stone with 4-9's. Game 2 went to Regan Wozniak with her 4-10's. Game 3 went to Rick Stone with his 4-5's.

I hope to see you all back next week. Feel free to shoot me an email and let me know your thoughts on the league. Did you enjoy it? What can I do to make it better?

Thank you

Michael Bartholomew
