League Notes

For a holiday week we still had a very good turn-out. I am glad to see so many of you return each week. Well, that was a fun week. It was very nice to see Erik Reisenberg join us on his first outing. Hopefully bowling could help take some stress off Steve and Erik and they could just enjoy a good day out. Thank you all again for trying to bring in exact change. For now, I have dropped a couple of names at the bottom of the standings. If a bowler isn't coming back or hasn't been here for a while I drop them off the active list so that I can fit everyone on one page. Remember the house unofficially opens at 9:45 to get us in and allow me to get set up. Then check-in will begin about 10AM. We will try to start practicing at about 10:20 but it will depend on how we are doing with registration each day.

Way to go Paul Swearingen for picking up the Strike Shot. He collected \$71. This was the longest time I have seen a strike shot go unclaimed. Time to start building again next week. Mark Perry shot a nice 278. So close to that 300 game. The way he is bowling, it is only a matter of time.

Don't forget we added the card game to the mix. It is \$1 per game. Kind of self service. You come up and give me your money and then put paid next to your name on the list. 1 card per spare, 2 cards for a strike. 1 sympathy card for 3 opens in a row. If you bowl less than 100 you get 5 cards. You can hold up to 10 cards at a time. At the end make your best hand and write it next to your name. If you do not have a hand that can beat the one already left turned face up. Put your cards in the discard and scratch your name off for that game. Game 1 went to John Hiromua with 4-A's. Game 2 went to Casey Ipock with his 4-Q's. Game 3 went to John Hiromura with his Full House A/J's.

I hope to see you all back next week. Feel free to shoot me an email and let me know your thoughts on the league. Did you enjoy it? What can I do to make it better?

Thank you

Michael Bartholomew
